

Dystopian States of America
Dateline: 4 November 2020

greetings, citizens!
re-election has confirmed
we are Great Again

Dear Leader is free
to rule with fatherly love
let us all praise Him!

Covid disappeared
fake news shall be crushed
Trump's Truth now sole source

deplorables win
Christian bigots and racists
highly respected

science is debunked
unchained oligarchs now cheer:
Trump's Reich forever!
