

Is Atheism a Faith?

is atheism
a belief system like those
we call religions?

if no evidence,
is not believing belief,
or simply reason?

is end of living
your afterlife's beginning
if nothing happens?

can not lifting weights
be your daily exercise,
or just self-deceit?

I have a hobby ... *
not collecting foreign stamps,
hours of pleasure

* Inspired by a joke by comedian Ricky Gervais
