

Saruni

our dear Maasai friend
animal interpreter
Serengeti home

knows wild's secret ways
mother died by buffalo
shielded by savvy

Superman's eyesight
hippo, elephant, giraffe,
lion whisperer

seeking two more wives
driver, guide, English speaker
may be chief some day

saw Nairobi once
"Why would anyone live there?"
loves his peaceful life

Saruni and friends, Maasai Mara, Kenya, August 2018
