

Hanging by a Thread

resisting despair
covid, wealth gap, race cleave us
imperfect storm strikes

Q-ism's ilk festers
gun-armed hate-mongering cults
wage uncivil war

morgue trucks overflow
our state's blood-soaked levees breach
who dies next? ... me? ... you?

schism's vile detritus
what safe-cave avails expats
fleeing Q-Nation?

democracy's fate?
this noble experiment
hanging by a thread
