

**Thank You, Daniel\***

dinner last night was ...  
delicious, delectable,  
just magnificent,

totally scrumptious,  
mouthwateringly tempting,  
awesome, outstanding

savory, yummy,  
fantastically toothsome,  
wickedly luscious,

succulent, delish,  
superbly appetizing,  
finger-lickin' good,

eff-ing outrageous,  
indescribably good grub,  
... truly beyond words!
