

Bicentenary

how to celebrate
two-hundredth haiku quintet?
a toast of bubbly?

a bouquet of verse?
a couplet of metaphors?
a sonnet of rhymes?

a hundred meters?
one onomatopoeia?
five stanzas of hymns?

seven syllables?
a word salad of nonsense?
a haiku quintet?

there's no poetry
to mark this unique milepost
I'll just write one more*

* This is it, the 200th haiku quintet I have written since 9 September 2019. Onward.
