

Soar, Claribel, Soar!

our clan's loved fledgling,
eager eagle set to fly,
your world awaits you

your wings will lift you
to wuthering distant heights
beyond now's knowing

your mind will be blown,
your horizons will recede,
your wisdom will surge

you'll meet sage teachers,
life-school's diverse faculty:
people unlike you

launch your journey with
this ticket to anywhere
... soar, Claribel, soar!
