

**A Bouquet of Senses\***

synonyms abound  
for anglophone composers,  
how our garden grows!

... meaning, nuance, tone,  
denotation, intention,  
gist, thrust, drift, message ...

wordsmiths pick with care,  
authors seek sweetest fragrance,  
poets inspire blooms

invaders' plantings  
forested England's home tongue's  
bouquet of senses

from seeds sown worldwide  
by colonial navies,  
this haiku now sprouts
