

My Midlife Crisis

A life-snippet

life was pretty good
but not good enough, I feared
is this all there is?

I yanked up my roots
to transplant myself back home
rebooting my life

harder than I thought
tears blurred my westward vision
U-turn was tempting

now, thirty years on
right choice, but poorly thought out
my foresight was dim

it's worked out, somehow
Lady Luck wed persistence
crisis got resolved
