

## Hitchhiking

I've thumbed countless miles  
Mizzou to Knoxville and back  
weekend laundry runs

California called  
to see a nameless girlfriend  
after freshman year

our grand loop out west  
sophomore summer junket  
with dorm roommate Wayne

Michigan's U P  
weekend AWOL excursion  
from Indy's Fort Ben

it was safe back then  
before the world went crazy  
when trust was in vogue

The highways of America, 1963-1966
