

## GOAT or GEFN?

athletes and heroes  
strive to wear that gilded crown:  
Greatest Of All Time

lust for fortune feeds  
youthful pride's hungry soul while  
I watch from afar

I've never summoned  
enough fire in the belly  
to climb pointless peaks

I'm competitive  
about which of us is the  
*least* competitive

as my race winds down  
I'll wear my drab well-worn cap:  
Good Enough For Now
