

## Dancing Queen

ABBA's lively tune  
brings forth a dazzling pixie  
a spirit unleashed

her standard request  
at cruise ships' midnight parties  
or anyplace else

arms wave overhead  
sparkling eyes, rapturous smile  
her inner sprite glows

a gogo dancer  
she could have been a Rockette  
or ballerina

standing here in awe  
I'm her stiff, artless partner  
she's my Dancing Queen
