

Betty Boop

soaring through eighth floor
of life's relentless high-rise
with class, grace, and style

Oklahoma girl
follows her father's wisdom:
"Roll with the punches"

veteran artiste,
poet, playwright, performer,
a one-woman show

plays avant-garde roles
on doyenne's star-studded stage
to hearty applause

carrot-topped diva,
HUSBAY's own movie maestra,
our beloved friend

A birthday tribute to Betty Robinson from her Sarasota friends
