

Puerto Vallarta

Mexican home town
gem of the Pacific side
warm air, warm people

relaxed or rowdy
choices galore, pick your style
Banderas playground

malecón strollers
buskers, artists, vendors vend
stone-stackers stack stones

palo volador
deft gravity-defiers
I'll just watch, thank you

zona 'mantica
gays and straights happily share
phobes might best stay home

since Richard and Liz
flocking snowbirds come to roost
our palm frond awaits

Photo: February 2019, relived annually
