

The Right Side of History

I want to be on
the right side of history
when it is written

my words live in print,
on offer to the wide world,
though seldom noted:

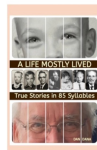

- ✓ climate will kill us
- ✓ America's star will fall
- ✓ religion is myth

- ✓ no, life is NOT good
- ✓ only science leads to truth
- ✓ love is the answer

some years(?) left to write
'til I slip away, unseen,
my words remaining
