

Susan's Family Story

seven Moore cousins
Grandma's and Grandpa's treasures
fell upon the Earth

from 'seventy-two
seven years of pregnancy
'til 'seventy-nine

three sisters, now two
new moms chasing girlhood dreams
filled with love and hope

heartland family
South Dakota interlude
but Kansas stayed home

lives, loves, losses borne
spanning time, miles, broken hearts
two left us too soon

Photo: All children of the three Moore sisters, 1984
