

**Malecón Buskers**

seaside promenade  
prime people-watching venue  
cheap entertainment

tips pay buskers' wage  
their talents enrich culture  
-- the Vallarta scene

plying artful trades  
mimes, musicians, stone-stackers  
grace my daily strolls

earning meager fare  
by microphilanthropy  
I fund a few notes

thin slice of whole pie  
Bill Gates might raise sea level  
-- add my wee drop, please
