

### Comet Covid

virus strikes the Earth  
asteroid crash from within  
lethal impactor

social smithereens  
economic A-bomb blast  
global tsunami

thongs drown in deep grief  
species lives, but people die  
my fate pends, and yours

Divided States heals?  
political gash sutured?  
will patient survive?

innovations surge  
togetherness finds a way  
we can only hope
