

**Richard, King of Reframe**

half-century pal  
Mizzou days, hippie-students  
housemates, co-seekers

eschewed normal path  
no career, no house, no wife  
renounced possessions

house-painting maestro  
dirty work raised to high art  
biker-wanderer

failure, some might say  
happiness-rich, love-endowed  
unorthodox wit

unearthed life's secret  
scholar sans portfolio  
my friend, my guru
