

Tracks

Poland-bound German boy, entranced by his journey. This same track carried countless Auschwitz-bound boys in 1942, not knowing their certain end. Much like me in 1953, still in 2025, entranced by the trip, if not its destination. Same track, different journeys, carrying us to our own unknown but certain ends.

Aboard intercity train, Berlin to Krakow

2 May 2025
