

Glad I'm Not Young

At final decade's doorstep, beneficiary of America's privileged demographic in history's luckiest generation. Facing dimming twilight with calm curiosity. Passed life's consequential tests: stumbled into gratifying career, eventually found the right wife. Survived lethal blunders. Narrowly escaping democracy's collapse. Worried for grandchildren's grandchildren, mine and yours. Glad I'm not young.

Age 23 (1968)
