

Witness

dancing to music,
trapped in tunnel's putrid tomb,
 Hamas mutes their song

bandaged head to toe,
smart bomb blasts Gaza clinic,
one more child's life snuffed

burqa'd Afghan girl,
vile mullahs silenced her voice,
crushing her teacher dream

Dinka mom falters,
soldier-raped, again, then shot,
her baby dies soon

in distant comfort,
old man grieves in vain witness,
why oh why oh why!
