

HollyMike
An Appreciation

our generous friends,
hosting Talents Limited
in their cheerful home

expert herder of
opinionated old cats
at Wednesday luncheons

modeling fairness,
balancing on truth's tightrope
with kindness and grace

walking in deep woods,
chatting with ChatGPT,
probing life's secrets

daddy of quintets
(the haiku variety,
like this very one)*

* Mike introduced me to haiku in this room in August 2019
