

If Spoons Could Talk

Grandma Moore's card club,
Mom's festive holiday meals,
Susan's fine dining

three generations'
unrecorded history
at our clan's tables

stories between bites
once nourished family bonds
to last our lifetimes

new recipes and old friends,
exploring novel dishes
from faraway lands

well-worn utensils
may service far-future feasts
—oh, if spoons could talk!

Passages of Susan's life in Kansas City, Watertown SD, Goodland KS, and Sarasota FL,
1950 to present
