

Haiku for Kelly

calling all poets:
enlist in Kelly's brigade
of humble wordsmiths

serve democracy
as only we poets can:
with well-chosen words

call your mighty muse,
deploy creative spirits,
shoulder your musket

Lieutenant Dana,
Gulf Coast's Haiku Laureate,
leads our righteous charge

send* haiku quintets
to send Kelly to Congress:
this is our moment!

* A process will be provided soon for other supporters to add their compositions to the effort.

Kelly is a friend and colleague whose Democratic candidacy (FL-16) I endorse.
